Subject :change of weapon order

Dear sir,

I shri.... Holder of license no ... valid upto dd/mm/yy, for one .32 bore pistol/revolver number would like to replace this existing weapon with a .45 pistol. Please note I am opting for a change as the present .32 is inadequate for self defence and the model being outdated. Hence I want to opt for a new age 45 pistol.

Please note I want to sell the existing 32 pistol/revolver to an arms and ammunition dealer/individual whose license details are mentioned as follows:

I have enclosed form B2 as per arms rules, I hope the application will be processed within the stipulated time of 7days of receipt of application as per schedule V sl 17 of the Indian arms rules 2016.

With warm regards,

Yours faithfully,
